Reservation Deposit

A valid, major credit card is required to process this request and for automatic payment of the reservation deposit. If the specific or equivalent home you requested is available, we will charge your credit card according to the following schedule. \$100 non-refundable holding deposit is due when the reservation is made. An amount equal to the rent for thirty (30) days or your length of stay, which ever is less, minus any deposits already paid is due no later than thirty (30) days prior to your move-in date. The reservation deposit will be applied to your security deposit. The security deposit is refundable at the end of your stay in accordance with the terms of your lease.

If you have asked us to find a home, we will attempt to find a home meeting your needs as stated on the Request For Housing within three (3) business days. If we cannot find a home meeting your "must have" needs, there is no charge. If we find a home meeting your needs and you accept it, we will charge your credit card according to the above schedule. If we find a quality home meeting your "must have" needs and you do not accept it, we reserve the right to charge your card \$100 as compensation for our efforts.

You may cancel your reservation up to thirty (30) days prior to your move-in date for a full refund less a \$100 cancellation fee. You may cancel your reservation within thirty (30) days of your move-in date for a refund equal to the rent for the number of days remaining prior to your move-in date minus a \$100 cancellation fee.

By signing the application below, I authorize the above charges to my credit card.
